

Blessed & Dressed

First Sample Specification Sheet (v2) — Prepared for Yamamoto EXCY · August 2026

Sample A — Suit Jacket (Double-Breasted 6x2)

Cut to the personal measurements and posture notes on these pages (measurement method: finished measurement, values in cm unless noted; 0.0 = not specified — please derive from the pattern). Shell fabric: navy worsted wool, Super 110s–120s — please propose options. Trim, thread and lining codes (e.g. FK503237, YZ002, FB2634A1) reference our current component library; nearest equivalents may be proposed.

Construction & Options

Shoulder head	Regular
Canvas	Regular Fused
Lapel	Curved Peak Lapel 103°
Lapel width	12.5 CM
Folded collar craftsmanship	Normal
Collar tab fabric	None

Notes

Purpose	Evaluate sewing quality, construction, finishing and fit accuracy against the measurements above, before discussing an ongoing MTM program.
Measurements in production	All client measurements are taken in person by Blessed & Dressed during private consultations (full body measurements and garment measurements). Each order arrives as a per-order spec sheet in this format.
Tolerance	±1.0 cm on lengths and circumferences, ±0.5 cm on collar, shoulder and cuffs.

Shipping	FedEx/DHL to the United States (Louisiana, ZIP 71234 area); exact address confirmed at order.
